# 1. Client Advisement

First Consultation is free up to 60 minutes

This an open discussion on your needs, wants and visions using Ai and how Promptline Studio can provide solutions to those needs.

Here is where we decide on whether to, 'go or no go' on next steps. Let's make sure we are on the same page and that time, money and resources are not wasted.

## 2. For Individuals

Fixed price packages starting \$200.00

After we complete the free consultation you will get:

1 custom prompt

45 minutes of data gathering

60 minutes of support to use the results.

You will also get copies of all the artifacts presented and any other assets we generate during these sessions plus all the data and prompts tailored to you.

# 3. For Small Businesses

Fixed price packages starting \$300.00

After we complete the free consultation, you will get:

3 custom prompts

60 minutes of data gathering

60 minutes of support to use the results.

You will also get copies of all the artifacts presented and any other assets we generate during these sessions plus all the data and prompts tailored to you.

# 3a. Small Business – cont.

One shared drive location will be created on Google Drive to share information and deliver the final product. We also will provide two 'check-ins' to see how you are doing and give 30 minutes planning and forecasting support for your future plans with Ai.

The final product can be delivered in a shared Cloud based location or in a location of your choosing.

Part of what we do is help build local ML, LLM and Ai for our customers. This is actual hardware that resides at the customers location. Promptline Studio offers local LLM build packages – ask us!
